MEN'S COMPETITIVE PROGRAM

2027 OPPORTUNITY | OTTAWA, ONTARIO

THE OPPORTUNITY

Inter Ottawa Soccer Club is seeking a committed and ambitious Head Coach to lead its men's competitive program for the 2027 season. This role is for a coach who wants to help build a program - not simply deliver training sessions.

Founded in 1999, Inter Ottawa is an Eastern Ontario Soccer senior member club entering an important period of growth. The club's 2026 season included two divisional championships and promotion to MC1. Our next step is to establish higher coaching standards, a clear playing identity and a structured year-round competitive environment.

KEY RESPONSIBILITIES

- Plan and deliver structured winter, preseason and outdoor training programs.
- Establish a clear playing philosophy, game model and performance standards.
- Lead player evaluation, team selection, recruitment and roster development.
- Take responsibility for match preparation, tactics and matchday management.
- Use Veo footage and other tools to support match analysis and player feedback.
- Create an environment founded on discipline, accountability and continued development.
- Communicate effectively with players, club leadership and supporting coaches.
- Contribute to the club's longer-term competitive and player-development strategy.

THE MANDATE

Raise standards, develop players and establish a competitive identity that can be sustained through the winter, preseason and outdoor season.
